The Canadian Yachting Association 'Learn to Sail Program' provides safe, standardized instruction to Canadians sailing dinghies for recreation and competition.

Rothesay Yacht Club is once again offering these fun and instructive courses for the summer of 2008.

Our CYC certified instructors are qualified to teach beginner students how to sail and advanced students how to improve their sailing techniques.

If you would like to join our program then please fill in the form attached or email:

White Sail Level I

This level introduces the beginner to sailing. It covers safety, seamanship, rigging and basic boat handling under instruction and direction in light winds.

White Sail Level II

Terminology is introduced to the beginner at this level together with more seamanship and boat handling skills under instruction and direction in light winds.

White Sail Level III

White Sail Level III is a comprehensive level which covers the minimum knowledge and skills a sailor requires to sail safely and competently without supervision in winds of 8-15 km/hr.

Bronze Sail Level IV

This level introduces the sailor to sail trim and basic boat tuning. It also covers safety, seamanship, terminology, sail theory, sail shape and advanced boat handling skills in winds of 15-25 km/hr (10-15 mph).

Bronze Sail Level V

Spinnaker use, boat maintenance, trapezing and sail theory are covered in this level together with advanced boat handling skills in winds of 15-25 km/hr (10-15 mph).

Silver Sail Level VI

Silver sail introduces the sailor to racing. It covers racing rules, racing signals, sail theory, race management, protests, basic tactics and advanced boat handling skills in winds up to 20 mph.
